

Privateer of the Month

August 2003 - Eddie Kraft
Witchkrafracing.com

This is my first year on a Suzuki SV650 and it's been a blast to ride. I plan to run the remaining events on WERA's North Central schedule and would like to attend the WERA Grand National Finals in Atlanta, Georgia.

I'd like to thank you, Aaron for all the help, as I've really benefited from what Lockhart Phillips offers and it has helped me tremendously.

I'd also like to thank Kart2Kart.com and BRGRacing.com for their huge support. My other sponsors include Cafe Concepts, Pit-Bull, Woodcraft, Sharkskinz, Pirelli, EBC, AFAM and Intuitive Race Products. And lastly, the biggest help I've received has been from my Crew Chief (dad), family, and fellow team members.

Without all of their help, the racing wouldn't happen - and it wouldn't be nearly as much fun!

Thanks Again,

Eddie
